We first create some contributors.

```
\newCTcontributor[TSH]{Thai Son Hoang}  
\newCTcontributor{Bob}
```

Here is some new added text.

However this is ~~from this text~~ to this text.

If you just want to ~~delete this text~~.

Comment can be inline

Thai Son Hoang: →**Bob, Colin** Here is my inline comment.

But we can have in the margin

Thai Son Hoang
added

Bob
changed
